

- *2 high level (broad) tests*
- *2 low level (specific) tests*
- *1 smoke/sanity test (basic run through of the whole site)*

High Level

1. Top left hamburger menu opens
2. Menu links work

Low Level

1. The warrant ID field should accept 10 characters (modify wanted)
2. **Any field that has an incorrect entry will also be highlighted in red until emptied out or resubmitted. (error handling)**

Smoke/sanity

1. All the pages load
